1. When was the first NCURA meeting you attended?

The first NCURA meeting I attended was the 55th NCURA Annual Meeting.

2. How did you enjoy the Annual meeting in August? Were you able to meet new colleagues and learn new things?

It’s a wonderful place for Research Administrators to meet new friends and network with NCURA colleagues.

3. What were the greatest benefits at the meeting?

The greatest benefits were networking and learning best practices.

4. Are there similarities or many differences with your programs and programs in the U.S?

China has a similar government funding agency like NSF – the NSFC system. (www.NSFC.gov.cn)

5. Are there any suggestions you have that would have helped you with your NCURA experiences?

I would suggest even more networking opportunities and workshops for new comers.
